Hi Cheryl,

Thankfully all these names ring a bell and I didn't have to look up much. Please see my green columns and comments to the right of the selectees/actions. The top two had selections made but they just missed the cut for a tentative offer when we were told no more offers. Everyone else was obviously caught in the hiring freeze but I haven't had anyone decline and no offer has been rescinded. Let me know if you have any question or need any additional information.

Respectfully,
